## DEGREE CLASSIFICATIONS

In Britain, students being awarded a degree are classified according to their examination results:

70% and above	1 <sup>st</sup>
60-69%	2:1
50-59%	2:2
40-49%	3 <sup>rd</sup>

Unclassified  
Students work extremely hard to achieve the best possible classification, because those with the best results tend to get the best jobs
